## **IRRIGATION SYSTEM UPDATE**

**At the end of the day on October 15, 2021, the Irrigation System will be turned off for the season.**

**This is consistent with the previous years for shutting the system off.**

**Thanks to everyone for your understanding of the need to conserve our pond/irrigation system water this summer.**

**This allowed us to get through the irrigation season without adverse impact to our lawns and landscaping.**

**The irrigation system will be turned on and available for use everyday through Friday, for end-of-the-season - water-needs.**
